
automotive fuse holder box,30 amp,200A

1. Product Name:~~fuse box car~~/ Plug Fuse Holder/Car insurance seat
2. model: BANL-B
3. Voltage breakdown: AC1500 1minute
4. insulation resistance: DC 500V 100MΩ M
5. Rating: 32V -150VDC 25A-200A
6. Temperature tolerance: -30° C -150° C
7. Standard: IEC-60335-1 GB_9364.6-2001
8. Certification: ISO9001, ROHS,
9. Mounting Ways: Rails, bolts
10. Material: Hot silicone rubber, 8.8 bolts.
11. Fuse size: Medium Plug Fuse
12. Application: Applicable to all cars, electric cars, audio and other equipment
