# 10 amp inline fuse holder,waterproof

1?Product Name:Fuse Holder/fuse base

2?model:H3-03B

3?Voltage breakdown:AC3500 1minute

4?insulation resistance:DC 500V 100M? M

5?Rating:15A 300VAC

6?Temperature tolerance:-30° C -150° C

7?Standard:IEC-60335-1 GB\_9364.6-2001

8?Certification:ISO9001, ROHS,

9?Mounting Ways:lead type

10?Material:Thermosetting silicone, brass.

11?Fuse size:5\*20mm Fuse

12?Wiring:16#-22#

13.Application:Applicable to all cars, washing machines, refrigerators, audio and other equipment

规格书Regulation book
